Curriculum Policy

September 2023

1 Introduction

1.1 The purpose of this policy is to ensure that our curriculum supports our school ethos and fulfils our school aims, which are defined as:

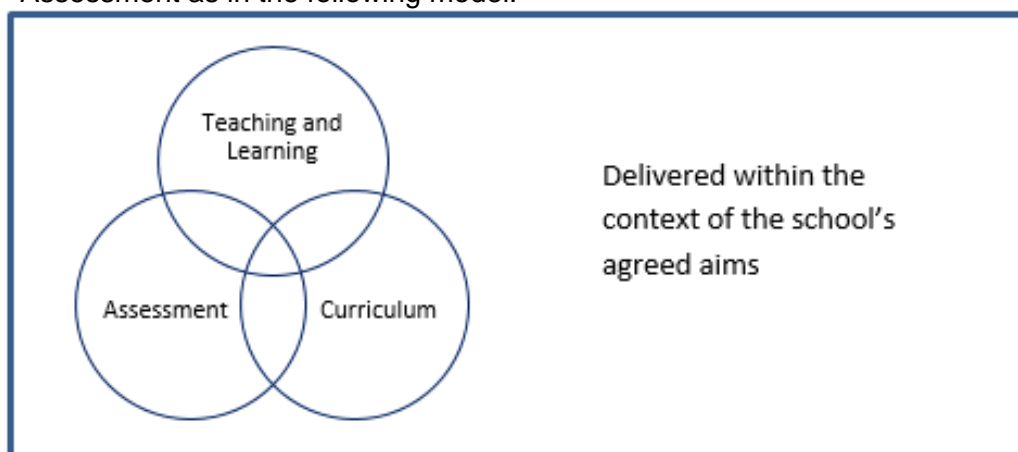

- Celebrate each child's individual talents and strengths which will enable them to make progress.

- Provide a happy school where children build confidence and enjoy learning.
- Promote kindness, co-operation and respect for all.
- Develop a curiosity in children that encourages them to discover and enjoy our world.
- Keep our pupils as children whilst preparing them for their next step.

1.2 This policy applies to all pupils, including those in the Early Years.

1.3 We see the curriculum as, 'The total learning experience for our pupils, which includes not only the taught lessons but also the routines, behaviours, events, activities and other opportunities that our pupils experience on a daily, weekly and yearly basis in order to ensure that all of them make the best progress possible and attain high standards'.

1.4 A well-structured and coherent curriculum is a fundamental element of the tripartite of education that underpins all successful schools and includes Teaching, Learning and Assessment as in the following model:

1.5 We aim to provide a holistic curriculum which develops every pupil as a confident individual who loves learning. We understand that the curriculum, both within taught lessons and beyond them, and in everything we say and do, should create an environment where academic risk-taking, questioning and debating, challenging thinking and the freedom to learn from mistakes are all encouraged.

1.6 Our curriculum offers all pupils the opportunity to experience linguistic, mathematical, scientific, technological, human and social, physical, aesthetic and creative aspects of education. We intend that our curriculum should imbue in our pupils:

- A passion for life-long learning;
- A capacity for independent and critical thinking;
- Self-awareness, self-regulation and resilience;
- Self-confidence without arrogance; and
- Genuine interests that extend beyond the confines of the classroom.

1.7 British values, which are; democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs, are actively promoted in every aspect of school life.

- 1.8 Our curriculum is compliant with the following regulatory requirements as outlined in the Independent School Standards:

The written policy, plans and schemes of work:–

- (i) take into account the ages, aptitudes and needs of all pupils, including those pupils with an EHC plan; and*
- (ii) do not undermine the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.*

For the purposes of paragraph the matters are:

- 2.2 Time awarded to each subject in each year group is available upon request.
- 2.3 Details of how the taught curriculum is translated into subject Schemes of Work (SoW) and lesson sequences. These can be viewed upon request.
- 2.4 Taken together, the taught curriculum will ensure that by the time they have completed their education in Year 6 with us, pupils are able to demonstrate the knowledge, skills and understanding to enable them to move onto the next stage of their education at the highest level.

3 Special Educational Needs and Disability - SEND

- 3.1 For those pupils with special educational needs or specific learning difficulties, the school has a part time SEND teacher.

- 3.2 Further details of this provision can be found in our Special Educational Needs and Disability (SEND) Policy.

4 **SMSC**

- 4.1 Our policy follows the advice given by the DfE in the non-statutory guidance of November 2014 and meets the requirements of the Independent School Standards. Aspects of SMSC are infused within the day to day operation of our school; incorporated through the curriculum, both in content included in subject schemes of work and through other planned learning opportunities in the school. They are captured in our written aims and expressed in the ethos and behaviours of everyone. Our approach to SMSC ensures that principles are actively promoted which:

- Enable pupils to develop their self-knowledge, self-esteem and self-confidence;
- Enable pupils to distinguish right from wrong and to respect the civil and criminal law of England;
- Encourage pupils to accept responsibility for their behaviour, show initiative and understand how they can contribute positively to the lives of those living and working in the locality in which the school is situated and to society more widely;
- Enable pupils to acquire a broad general knowledge of and respect for public institutions and services in England;
- Further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of and respect for their own and other cultures;
- Encourage respect for other people, paying particular regard to the protected characteristics set out in the 2010 Act; and
- Encourage respect for democracy and support for participation in the democratic process, including respect for the basis on which the law is made and applied in England.

- 4.2 Discriminatory or extremist opinions or behaviours are challenged as a matter of routine.

- 4.3 In addition, our approach to SMSC ensures that all pupils will gain an:

- Understanding of how citizens can influence decision-making through the democratic process;
- Appreciation that living under the rule of law protects individual citizens and is essential for their well-being and safety;
- Understanding that there is a separation of power between the executive and the judiciary, and that while some public bodies such as the police and the army can be held to account through Parliament, others, such as the courts, maintain independence;
- Understanding that the freedom to hold other faiths and beliefs is protected in law;
- Acceptance that people having different faiths or beliefs to oneself (or having none) should be accepted and tolerated, and should not be the cause of prejudicial or discriminatory behaviour; and
- Understanding of the importance of identifying and combatting discrimination.

5 **Religious Education and PSHEE**

- 5.1 Our school chooses to respond to the legal requirement in maintained schools to teach Religious Education and Relationships and Sex Education (RSE), and to non-statutory guidelines to cover other aspects of Personal, Social, Health and Economic Education (PSHEE). Our programme encourages respect for other people, with particular regard to the protected characteristics under the Equality Act 2010

5.2 Our PSHEE course is delivered to all pupils through discrete RWE (Relationship and Wellbeing Education) lessons taught by our teachers. The lessons ensure we cover the requirements set out in the updated DFE RSE guidance. Elements of the programme may be supported through the bringing in of additional expertise, such as outside speakers, or the use of teachers with a particular interest or knowledge in a specific area. In addition to these discrete sessions, RWE is also dealt with across the curriculum.

6 Co-curricular

6.1 A range of enrichment activities supplements the timetabled curriculum. Our pupils are encouraged to take part in an range of art, drama, music, sport and other activities and clubs. Themed days and weeks are held. These may include Book Day, Children in Need, Safer Internet Day.
